The Class of June 1956 presents . . .

THE LAMP

West Side High School
Newark, New Jersey

Dedication

Throughout our lives, the joy of momentous occasions is increased by sharing them with those who are close to us. We, the Graduating Class of June 1956, would like to share the pleasure of our graduation symbol, the Yearbook, with you who are dear to us.

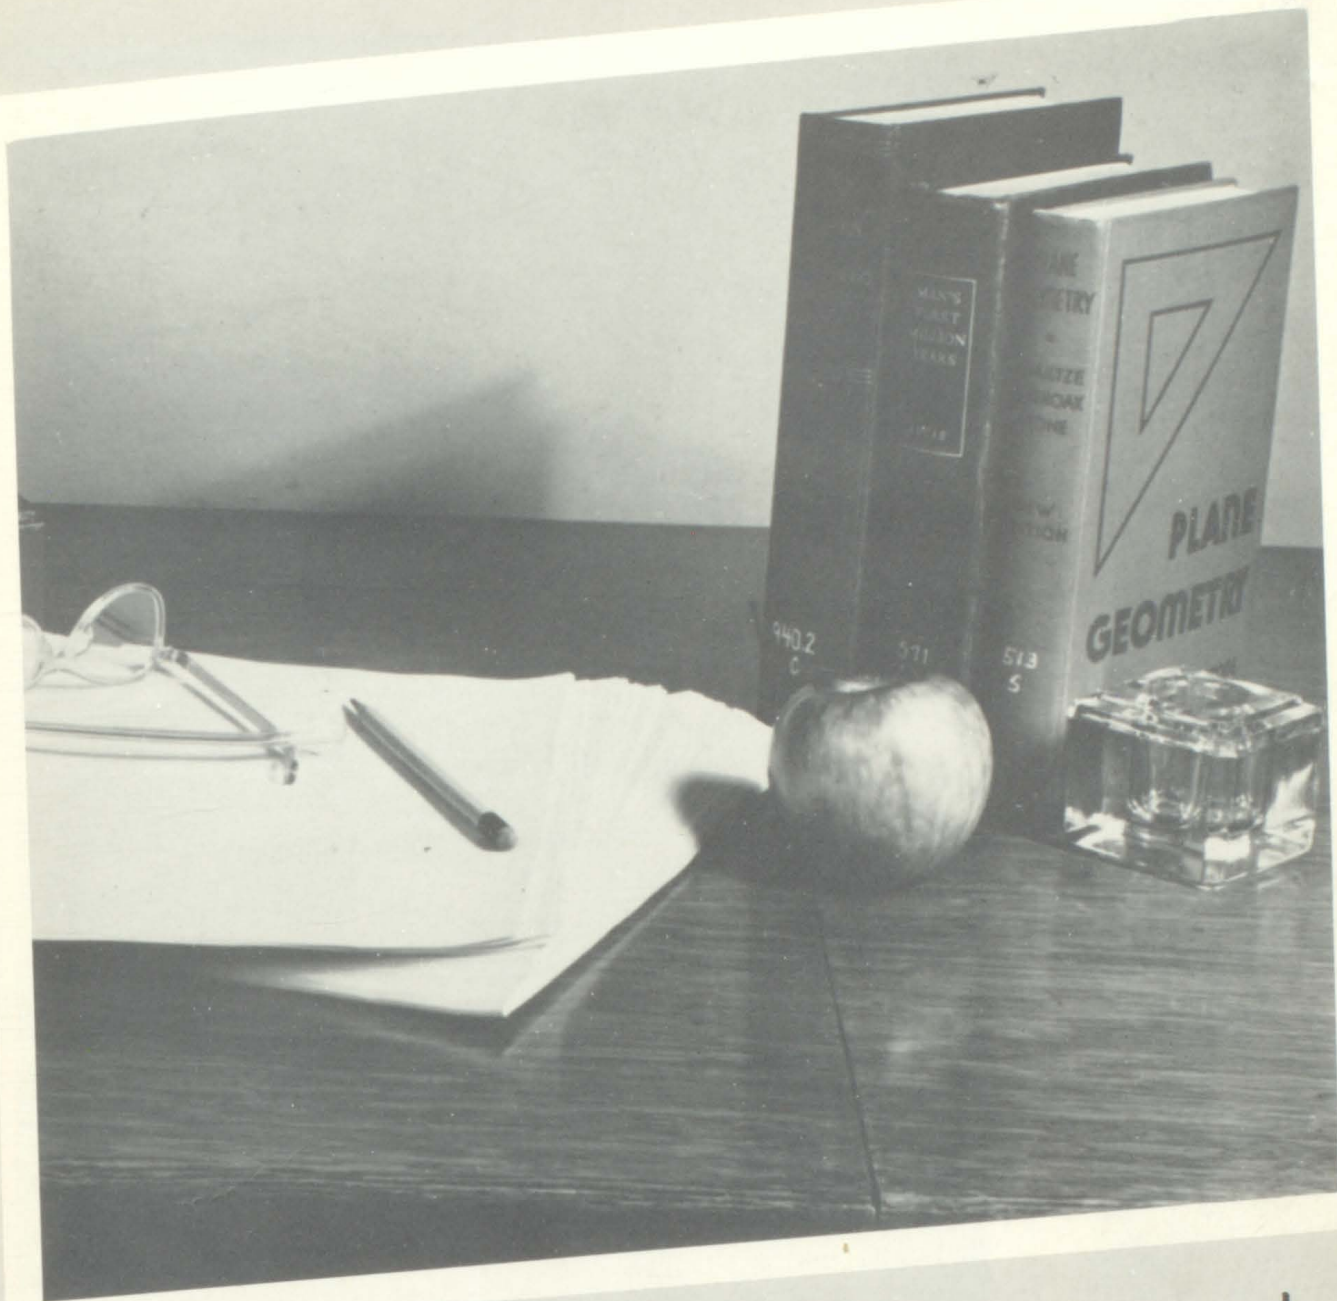

This book has been molded by our days at West Side, just as your devotion and understanding have shaped our lives and personalities.

To our beloved parents, we dedicate "The Lamp of June 1956."

Faculty

Francis B. Snavelly

PRINCIPAL

We feel a great urge to express our pride in West Side High School and hence in you. We have watched you grow in knowledge and urbanity for three years, and we are pleased with what we see.

During the whole time you have been at West Side our school has led the city in attendance. During this time, we won the County Basketball Tournament, State Cross Country championships,

Edgar K. Dawson

VICE PRINCIPAL

and track titles. Our twirlers, cheerleaders, band and orchestra have been the most outstanding in the city.

We are not unaware of our shortcomings, but on this day we will remember our achievements. Let us remember that no achievement is worthwhile unless it inspires us to further and greater goals and, to quote Charles Dickens, "God bless you everyone."

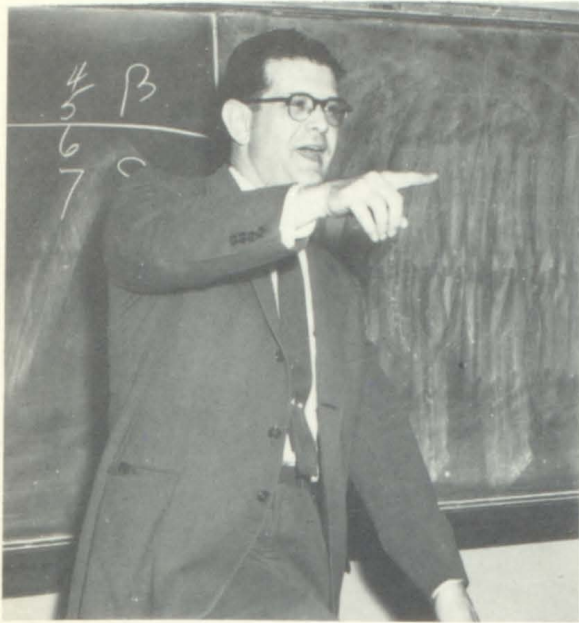

Evelyn Stevens

We, the Class of June 1956, should like to take this opportunity to thank you, our Senior Class Advisers, for the encouragement and support you have given us in helping to make our graduation a successful one.

Class

Advisers

Irving S. Rosenberg

We are also grateful to you for the patience and sympathetic understanding you have shown us. It is our hope that the past year has been one filled with many pleasures for both of you, and that the time you have spent with the Class of June 1956 will never fade from your memories.

Class Counselor

Herman Kapner

The culmination of our high school career is drawing near. As we review all the things which helped shape this occasion, our eyes fall upon you, our Counselor, Mr. Kapner.

With fingers crossed, you were drafted to undertake a very laborious task which began approximately three years prior to this date and shall end as we leave the halls of West Side to our successors. We are all very grateful, for it was your inspiration, your kindness and your care which helped us through this school of scholars. If we were to list each of our thoughts separately we would possibly have a yearbook titled "In Appreciation of Your Dedicated Work." Since this is impossible, we leave you with the thought that our memory shall always hold dear one person who guided us onward through three very joyous and memorable high school years.

THE STAFF WISHES TO THANK MR. CARMINE R. VILLANI FOR HIS COOPERATION

Introducing Our Director

GRACE GROTE

... whose wonderful way with our students has made being in the play a happy experience. Mrs. Grote is new to West Side but, in her short stay, has endeared herself to the students and faculty with whom she has worked.

Mrs. Grote graduated from the University of Cincinnati with a B.A. degree in the College of Liberal Arts and a B.E. degree in the College of Education. She spent five years with The Actors Guild connected with the Civic Theatre there directing and producing. She was a teacher of Speech, Dramatics, and English in the Walnut Hills High School of Cincinnati before coming back East. She is a member of Actors Equity and toured in "Snafu" and "Junior Miss." She has also done summer stock in Connecticut and New York plus being director for four seasons at Tioga Summer Theatre at Lake Como, Pennsylvania. At this camp she directed four musicals and eight plays each season—one for each age group.

Mrs. Grote is married to Donald Grote, a science teacher. They have teamed-up not only in marriage but in their mutual interest—dramatics. Mr. Grote has taken charge of all technical work on the stage connected with George Washington Slept Here. He also worked with the Tioga Theatre in Camp Tioga on Lake Como, Pennsylvania. He has helped at the camp with ten seasons of plays and musicals, including the production of three outdoor spectacles per season, a circus and two night-time lake-front shows. He is experienced in rebuilding, planning, and installing sound and lighting systems. He was technical director for one year with the Little Theatre of the City of East Orange and for three years worked in that capacity with the Blackfriar Theatre of the University of Alabama.

The faculty advisers and senior class wish to express their gratitude for the untiring efforts of both Mr. and Mrs. Grote in making our play a success.

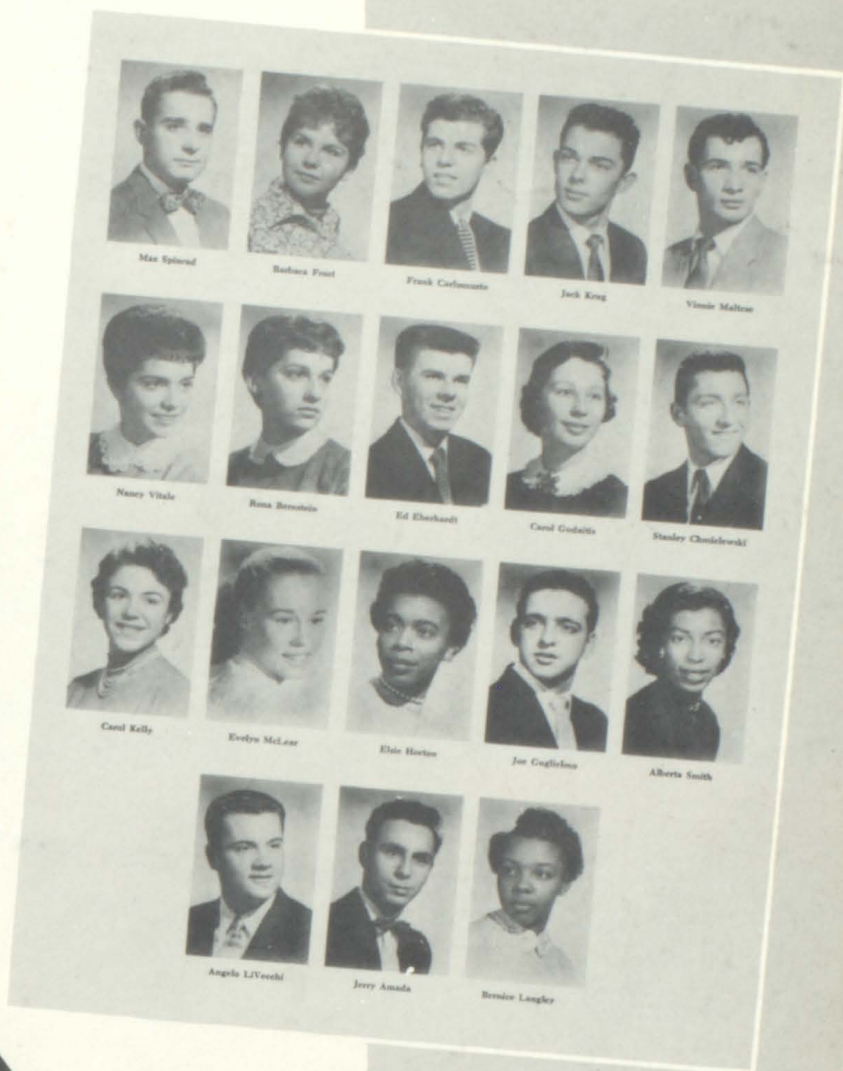

MR. DONALD GROTE

BARBARA DOMBROWSKI

Miss Barbara Dombrowski is at the Paul H. Oliver Memorial Organ both evenings. Barbara is West Side's new organist and has been playing since September for assemblies and evening programs. She has played the piano since she was eight years old and has won seven honor awards from the Griffith Music Foundations. One of her ambitions in life is some day to have a career in music.

School Song

In morning light and evening fall,
 Through all the days of coming years—
 In times when glowing futures call—
 In hearts with laughter and with tears,
 Our love for you will never die,
 Oh, Alma Mater, West Side High.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

This love we have for you has grown
 More bright than any treasured gold,
 It deepens through each friend we've known.
 Each truth that to our hearts is told.
 Within the shelter of your walls,
 Within the rooms where wisdom calls.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

Though we have need to wander far,
 Close in our hearts your name will be.
 Your goodness, like a radiant star,
 Will rise with every memory,
 And having these sweet dreams of you,
 We shall remember and be true.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

In morning light and evening fall,
 Through all the days of coming years,
 In times when glowing futures call,
 In hearts with laughter and with tears,
 Our love for you will never die,
 Oh, Alma Mater, West Side High!
 Our love for you will never die,
 Oh, Alma Mater, West Side High!

Class will

We, the fifty-eighth graduating class of West Side High School, devise and bequeath what is left after we leave, as follows:

To Miss Clarke, we leave patience pills to be taken in unlimited doses before yearbook committee meetings.

To Mrs. Liberson, we leave a robot to read the daily notices for her.

To Mrs. Norton, we leave a year's subscription to "Confidential" and a crossword puzzle that fights back.

To Mrs. Stevens, we leave a huge supply of Christmas trees to remind her of us.

To Mr. Prag, we leave a pair of skates to get him around the halls faster during air raid drills.

To Mr. Boyar, we leave a nice, loud alarm clock to get him to school on time.

To Mr. Martland, we leave the halls of West Side and 99 years of detention.

To Mr. Kriegsfeld, we leave a record of "Why Don't You Believe Me" in German.

To Mr. Villani, we leave the adoration of all female underclass-men.

To Mr. Donner, we leave a class full of aristocrats so that he will not be disturbed by the "common people."

To all students, we leave coffee to keep them awake during assemblies; lemonade in the fountains; escalators to the third floor; fire drills during tests; and to all-girl classes, we leave some boys.

With deepest appreciation, and true affection we hereby make our principal, Mr. Francis B. Snavelly, the executor of this, our Last Will and Testament.

Signed and sealed this 20th day of June, 1956 by the Class
June, 1956.
